RESPONSE TO ELECTION OF SPECIES REQUIREMENT/AMENDMENT

Dear Sir:

In response to the election requirement, Applicants hereby provisionally elect the species covered by claims 1-21, 47-69, 112, and 113, with traverse.

In the Claims:

Please amend the claims as follows:

22. (Amended) The method of claim 1, [further comprising a step] wherein the act of forming said barrier layer containing a reducing agent further comprises forming a silicon-containing layer on [a top surface of the] said barrier layer [prior to the metal seed layer forming step] , said silicon-containing layer being said reducing agent.
